Re: Proposed Exposure Draft on Share-Based Payment (File No. 1102-100)

Dear Ms. Bielstein:

The National Association of Real Estate Investment Trusts® ("NAREIT®") welcomes this opportunity to respond to the request for comments from the Financial Accounting Standards Board ("FASB") on the proposal contained in File No. 102-100, dated March 31, 2004. NAREIT is the national trade association for real estate investment trusts ("REITs") and other publicly traded real estate companies. Members include REITs and other businesses that own, operate, and finance income-producing real estate, as well as those firms and individuals who advise, study and service those businesses.

NAREIT commends the FASB's efforts to continue to develop high-quality accounting standards that improve the transparency, usefulness and credibility of financial reporting. In particular, we support the efforts to bring more convergence in the U.S. standards and the International Accounting Standards.

We agree that employee services received in exchange for equity instruments give rise to recognizable compensation cost and that such costs should be recognized in the financial statements at their fair value. In addition, we agree that the modified prospective method of transition be used.

NAREIT thanks the Board for this opportunity to comment on the Proposal. Please contact Gaurav Agarwal, NAREIT's Director, Financial Standards, at (202) 739-9442 or me at (202) 739-9432 if you would like to discuss our comments.

Respectfully submitted,

George Yungmann

Vice President, Financial Standards
